Or if you already own property which is available for vacation rentals, you may appreciate the ability to enrich your customer proposal with our special interest holiday Visit Packages and other Rental Offer Enhancement Services. Our tailor made interest related Visit Packages leave plenty of time for property search "work" or for a vacationer to relax and enjoy the comforts of an existing rental property, while enhancing a visit to our area with the chance to participate in cooking courses, handicrafts, trekking, cycling, horse riding, private local area guided tours, etc. These alternatives are created to suit the visitor's personal needs.

In addition, our property search related Visit Packages allow you to choose among various categories of high quality accommodations. And beyond our Visit Packages, we also provide restaurant suggestions (these latter of course are FREE OF CHARGE) for that time when you are happily on your own!
